Laptop (Windows)

Goals

What are they trying to achieve?

- Learn about the chatbot’s emotional and historical background.
- Explore the chatbot’s limitations.
- Discover everything the platform has to offer.

Motivations

Why do those outcomes matter?

- Driven by curiosity and a desire to learn new things.
- Enjoys expressing herself freely and creatively.

Pain points

What makes the experience difficult?

- Repetitive responses bore her.
- Too many limitations or rules make her feel uncomfortable.

Behaviors

What do they actually do today?

- Turns to the chatbot in her spare time.
- Likes to chat when she is bored.

Needs

What must the experience provide?

- Freedom and flexibility to personalise her own experience.
- Original responses that maintain her interest.
- Open-ended, flexible conversations.
